

- 55~57. Red pottery (*Haji* ware) excavated from gutter SD485.
 58~63. Grey pottery (*Sue* ware) excavated from SD485.
 64. Ink stone and terracotta horse excavated from SD485.
 65. Pots and sherds with inscriptions excavated from SD485.
 66•67. Red pottery excavated from gutter SD650A.
 68•69. Grey pottery excavated from SD650A.
 70. Proto-black pottery excavated from SD650A.
 71. Ash-glazed pottery excavated from SD650A.
 72. Green-glazed pottery excavated from SD650A.
 73. Green-glazed pottery and porcelain excavated from gutter SD650.
 74. Red pottery excavated from gutter SD650B.
 75. Grey pottery excavated from SD650B.
 76. Proto-black pottery excavated from SD650B.
 77. Ash-glazed pottery excavated from SD650B.
 78. Green-glazed pottery excavated from SD650B.
 79. Ink stone and terracotta horses excavated from SD650.
 80. Pots and sherds with inscriptions excavated from SD650.
 81•82. Lacquer ware excavated from SD650.
 83~85. Wooden objects excavated from SD485.
 86~98. Wooden objects excavated from SD650.
 99~101. Coins excavated from SD650.
 102•103. Metal objects excavated from SD650.
 104. Stone objects excavated from SD650.
 105. *Haniwa* excavated from Uwanabe Mound.
 106. *Haniwa* and pottery excavated from Uwanabe Mound.
 107. *Haniwa* excavated from Hiratsuka Mound II.
 108. *Haniwa* excavated from Hiratsuka Mound I.
 109. *Haniwa* excavated from Hiratsuka Mound II.
