RESEARCH INSTITUTE NO. 56

**REPORT OF EXCAVATIONS AT BLOCKS 15-16,
EAST FIRST WARD ON SEVENTH STREET,
NARA CAPITAL**

TABLE OF CONTENTS AND ENGLISH SUMMARY

**NARA NATIONAL CULTURAL PROPERTIES
RESEARCH INSTITUTE (NABUNKEN) 1997**

CONTENTS

Chapter I	Introduction	1
	1. Excavations at the Nara Capital	1
	A. Investigations of Block 16, East First Ward on Seventh Street	1
	B. Excavations and improvements to the grounds at the Nara Palace site	2
	2. Publication of this report	3
Chapter II	Outline of the excavations	5
	1. Progress of the excavations	5
	2. Excavated areas	7
	A. Location and environs	7
	B. Division into sectors and surveying	9
	3. Outline of each excavation	11
	A. Excavation no. 251	11
	B. Excavation no. 252	11
	C. Excavation no. 253	12
	D. Excavation no. 254	12
	E. Excavation no. 255	13
	4. Excavation logs	14
	A. Excavation no. 251	14
	B. Excavation no. 252	14
	C. Excavation no. 253	19
	D. Excavation no. 254	23
	E. Excavation no. 255	27
Chapter III	Site description	29
	1. General overview	29
	A. Natural topography prior to the construction of the Nara capital	29
	B. Topography after abandonment of the capital	31
	2. Features of the city street plan	32
	A. East First Avenue	32
	B. Sixth Street	35
	C. Block boundary streets	35
	3. Features of Blocks 15-16	37
	A. Features antedating the Nara period	38

	B. Features from the Nara and later periods	38
	C. Ritual-related and other features	60
Chapter IV	Artifacts	65
1.	Roof tiles and bricks	65
	A. Round eave tiles	65
	B. Flat eave tiles	67
	C. Round and flat tiles	69
	D. Other tiles and bricks	70
2.	Pottery	71
	A. Pottery from the western ditch of East First Avenue	72
	B. Pottery from other roadside ditches	78
	C. Pottery from wells	81
	D. Pottery from pits	83
	E. Pottery from coffin burials and other interments	84
	F. Pottery from postholes	85
	G. Pottery from prior to the construction of Nara capital and from the 10th century and later	86
	H. Glazed stoneware and special ceramic objects	89
	I. Pottery and other ceramic items for ceremonial use	91
	J. Pottery with ink or etched inscriptions.	99
3.	Wooden implements and lacquered items.	100
	A. Wooden implements from the western ditch of East First Avenue.	100
	B. Wooden implements from the northern ditch lining Sixth Street	105
	C. Wooden implements recovered from well SE6657	105
	D. Wooden implements re-utilized at well SE6657	106
	E. Items recovered from wooden coffin burial SX6428	106
4.	Metal objects	107
	A. Copper objects	107
	B. Iron objects	108
	C. Copper coins	110
5.	Glass objects, artifacts related to casting, and stone objects	111
	A. Glass objects and artifacts related to casting	111
	B. Stone objects from the Nara and Heian periods	113
	C. Stone tools from the Yayoi period and before	114
6.	<i>Mokkan</i>	116
7.	Faunal remains	120

	A.	Faunal remains recovered in the investigations	120
	B.	Descriptions of faunal remains, by type of item	121
	C.	Interpretations of the remains	122
Chapter V		Analyses based on the natural sciences	125
	1.	Analysis of fat residues recovered from artifacts and features in Block 16, East First Ward on Seventh Street	125
	A.	Soil samples	125
	B.	Extraction of fat residues	126
	C.	Fatty acid compositions of fat residues	127
	D.	Steroid compositions of fat residues	130
	E.	Mathematical analysis of fatty acid compositions	133
	F.	Singularity correlations by type of fatty acid composition	135
	G.	Summary	136
	2.	Diatom analysis of the fill in the western ditch of East First Avenue	138
	A.	Samples	138
	B.	Method of analysis	140
	C.	Results	140
	D.	Conditions affecting sedimentation of the ditch	148
	3.	Pollen analysis of the fill in the western ditch of East First Avenue	151
	A.	Samples	151
	B.	Method of analysis	151
	C.	Results	151
	D.	Observations	154
	4.	Analysis of metal objects, glass, and items related to glass making	156
	A.	Materials for analysis and observations	156
	B.	Results	156
Chapter VI		Interpretations	159
	1.	Reconstruction of the city street grid	159
	A.	Reconstruction of the city street grid on the four sides of Block 16	159
	B.	The position of Block 16, East First Ward on Seventh Street	162
	C.	Summary	164
	2.	Evolution of structural features	165

A.	Introduction	165
B.	Features of Phase I	165
C.	Features of Phase II	167
D.	Features of Phase III	169
E.	Features of Phase IV	171
F.	Features of Phase V	172
G.	Features of Phase VI	174
H.	Summary	174
3.	Bricks and roof tiles	176
A.	Consideration of factors in the utilization of roof tiles	177
B.	Problems presented by roof tiles unearthed in the investigations	181
4.	Pottery	185
A.	Pottery interments in the vicinity of Block 16	185
B.	Nara period ceremonies as seen through unearthed pottery	188
5.	Observations on metal human effigies	196
A.	Classification	196
B.	Age and features from which these materials were recovered	197
C.	Measurements	198
D.	Characteristics of metal human effigies	199
E.	Summary	200
6.	<i>Mokkan</i>	202
7.	Wooden coffin burial SX6428	206
A.	Resume of SX6428	206
B.	Compilation of wooden coffin burials and analysis of SX6428	206
C.	Ancient wooden coffin burials in the central part of the Kinai region	207
D.	Summary	209
8.	Conclusion	211
	Supplementary Tables	214
	Supplementary Figures	239
	English Table of Contents	248
	English Summary	260
	Transcriptions of <i>mokkan</i> inscriptions	(back matter)
